

Autumn Gathering & Harvest Notes

A season of thanks, new faces, and a full calendar ahead.

What's Inside

Fall Fellowship Dinner

Join us for our annual harvest dinner -- good food, better company, and a chance to welcome the newest members of our village. Bring a dish if you're able; if not, just bring yourself.

Volunteer Spotlight

This quarter we're grateful for everyone who helped with the directory refresh, the donation page redesign, and the dozens of small things nobody sees but everybody benefits from.

New Member Welcome

A warm welcome to everyone who joined this season. Your listings are already live in the directory -- take a look around and say hello.

See You There

This is placeholder text standing in for a real Canva export, generated to test the PDF-to-newsletter import pipeline end to end -- three pages, real images once rasterized, real formatting, nothing hand-typed into the body.
